Our van conversion roofs are the perfect choice for those who are looking for more space inside their vans without buying a new vehicle.

Our durable, lightweight van conversion roofs transforms your van into the ultimate mobile toolbox or camper van. Choose your finish option and then customize your van roof with windows, lighting and a roof vent.

We offer three finish options:

- **Utility** - Roof reinforced with an insulated ceiling
- **Commercial** - Utility features, plus a white gelcoat interior finish
- **Deluxe** - Insulated ceiling with high gloss interior liner & dome light
